Current Situation	Primary Focus	Best Starting Point
No capital, baseline skills	Entry-level employment	Secure cash flow, build discipline, learn workplace dynamics
No capital, specialized skill	High-skill job or freelancing	Sell rare skills, maximize savings rate, build an emergency fund
Moderate cash flow, high time	Side-venture or digital products	Build media, code, or services with asymmetric upside
Substantial liquid capital	Real estate, equity, or index funds	Deploy capital into yield-bearing or compounding assets
